

CONSTRUCTION UPDATE

July 20, 2021

UPCOMING CONSTRUCTION ACTIVITIES

El Camino Real (ECR) Night Work

- New main sewer line installation requires temporary closures of two northbound traffic lanes and sidewalk on ECR through September.
- Nighttime work occurs Sunday-Thursday, 8:00 P.M.-7:00 A.M., intermittently through January 2022. Caltrans policy mandates that multiple lane closures only take place at night to avoid traffic impacts.
- ECR work will follow this approximate construction schedule:
 - Sanitary Sewer Line Installation: July-September 2021
 - Water Line Installation: September 2021–January 2022
 - Roadway Repaving: January–February 2022

Other Offsite Impacts

- Intermittent lane impacts for material deliveries, crane installations, and work on elevated floors will continue through August.
- Sidewalk and street improvement work continues.

Office Buildings

Building 1

 Prefabricated exterior panel framing and stucco installation continue through August.

Building 2

- Sheetrock work, wall and floor tile installation in restrooms have begun.
- · Clay tile, exterior stucco, and roofing installations continue.
- Work continues on the west (El Camino Real), courtyard, and north side elevations.
- Elevator cars inspections have begun. Upon approval, exterior framing and window installations will begin.
- Waterproofing of the ground-level concrete deck has begun. Concrete pours for planter boxes, sidewalks, and curbs near the train tracks will follow.

Building 3

- Work continues on mechanical, plumbing, and electrical installations through October.
- · Interior sheetrock work at elevator cores and stairs continues.
- · Stucco installations continue through mid-August.
