

MIDDLE PLAZA

CONSTRUCTION UPDATE

February 21, 2020

Upcoming Construction Impacts

Concrete pour for the commercial garage scheduled for Monday, March 2 during authorized work hours. Travelers may observe an increased number of concrete trucks entering via Partridge Ave and exiting via Cambridge Ave.

Concrete pour for the residential garage scheduled for Saturday, March 14 during authorized work hours. Travelers may observe an increased number of concrete trucks entering and leaving the site via Middle Ave.

Dirt off-haul from site shoring and excavation continues. Dirt is hauled offsite through City-approved routes. Trucks will enter and exit at the Middle Ave traffic light. Street sweeping and cleaning will be in effect.

Materials deliveries for Office Building 2 continue. Delivery trucks will enter and exit via Cambridge Ave.

Work on the bioretention area east of the Stanford Park Hotel continues through July 2020. These activities include excavation of dirt to install a concrete pit with bioswale retention system. The work will start at 9:00 am to accommodate hotel guests.

Construction Schedule

All construction dates are **approximate and subject to change** because of weather and unforeseen conditions.

Construction Hours

Construction hours are compliant with the City of Menlo Park's Construction Policy.

There may be instances where Project construction activities take place during the evening and/or weekends when deemed necessary to reduce construction impacts on traffic along El Camino Real. This will be done with the required necessary approval from the City of Menlo Park.
