

MIDDLE PLAZA

CONSTRUCTION UPDATE

March 17, 2020

COVID-19 UPDATE

Middle Plaza construction activities will be suspended until further notice, as a result of the regional shelter-in-place directive in all six Bay Area counties.

Rapidly changing circumstances require the Middle Plaza project team to take new additional measures to slow the spread of the coronavirus within our community. There will be caretaker presence on the site for maintenance purposes only.

We are working to determine how this delay may affect construction timelines. We will share any new information with the community as soon as it becomes available.

Please refer to <https://healthalerts.stanford.edu> for ongoing alerts related to this matter.

For more project information, please visit <https://middleplaza.stanford.edu>

Construction Hours

Construction hours are compliant with the City of Menlo Park's Construction Policy.

There may be instances where Project construction activities take place during the evening and/or weekends when deemed necessary to reduce construction impacts on traffic along El Camino Real. This will be done with the required necessary approval from the City of Menlo Park.
